

**IT WAS AN OATH THEY TOOK,
TO
PROTECT
AND
SERVE.**

**IT IS OUR DUTY TO SHOW THEM,
HONOR
AND
RESPECT.**

We shall always remember those honored members of the St Johns County Sheriff's Office who gave their lives in the service to our community. The memorial, pictured here, is located near the entrance to the Sheriff's Office. It occupies a place of honor and reverence for families, friends, and all citizens who visit the Sheriff's Office. Listed are the names of our fallen heroes and an automated kiosk tells a brief story about them. Stop by for a visit and reflect for a while.

Memorial bricks are available for purchase and may be engraved. Brick sales are limited to orders of at least 50 at a time. Check back periodically throughout the year for sale dates at which time you may submit your name and what you wish engraved.
