

## Bicycle Regulations - 316.2065

- Bicyclist must obey all traffic controls and signals.
- Bicyclist may not carry more people than the bike was designed for.
- Riders must keep one hand on the handlebars at all times.
- Every bike must have brakes that can stop the bike within 25 feet from a speed of 10 miles per hour on dry, level pavement. A bicyclist must use a fixed regular seat for riding.

### **Bicycle Helmet Law 316.2065 (3)(D)**

A bicycle rider or passenger who is under 16 years of age must wear a bicycle helmet that is properly fitted to their head by a strap, and meets the standards of the American National Standards Institute, the Snell Memorial Foundation, or any other nationally recognized standards adopted by the state.

### **Bicycle Riding Safety Equipment**

- Helmets – to protect your head.
- Gloves – to protect your hands in case of a fall.
- Mirror – to see traffic approaching from behind.
- Safety Vest or Flag – to be seen better at night.
- Rear Carrier – for holding objects to free up riders hands.

### **Headsets 316.304**

A bicyclist must not wear a headset, headphone or other listening device (other than a hearing aid) when riding.

### **Bicycle Riding Tips**

- Bicyclist must ride as far to the right as possible.
- Walk your bike across the intersections.
- Look both ways before crossing the street.
- Always wear your helmet.
