## MAN SOUGHT FOR TRESPASSING ON SCHOOL PROPERTY ARRESTED IN CLAY COUNTY

15 March 2017

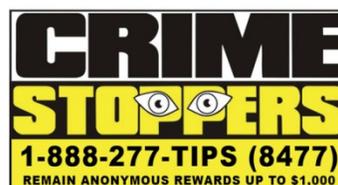

A 34-year old Clay County man, wanted on an arrest warrant out of St. Johns County, turned himself in at the Clay County Jail early this (Wednesday) afternoon. The suspect, identified as **Keith Kelvin Grant**, 34, Orange Park, had been sought since last week for trespassing on school property following two suspicious incidents at a St. Johns County High School earlier last week. An arrest warrant was issued last Thursday for Grant for two counts of trespassing on school grounds.

The two incidents occurred Monday Mar. 6<sup>th</sup> at Creekside High School. The first occurred shortly before 5:00 p.m. when the suspect drove into the student parking lot and stopped to talk to a female student. The suspect asked the student for directions to a nearby park, and then requested she show him where the park was. The girl advised the suspect he could follow her in his car and she asked a friend to follow them. Once at the park, the suspect asked if there was a quieter place they could go, which caused concern to the girl and she drove away.

The second incident occurred at 6:00 p.m. when the suspect approached another female student in the parking lot and asked if she or any of her friends would like to go to a party. The student told the man she was 17 and the suspect replied that he was 21. The suspect attempted to get the students phone number in which she refused and asked for his. She then left the area and reported the incident to school officials and then to the School Resource Deputy the following day. The investigation revealed that the suspect had no legitimate reason to be on school property and SVU detectives obtained an arrest warrant for Grant last Thursday.

Grant, whose bond was just revoked for three Clay County charges last month, remains in the Clay County Jail.
